Body Exfoliation + Moisturising

A deep and complete exfoliation of the entire body removes dead skin cells and produces an ultra-soft sensation on your skin, preparing it for the treatments carried out afterwards. After the exfoliation, the Moisturising Body Cream is applied with a superficial massage to facilitate its absorption and leave your skin luminous and moisturised.

Localised firming-reducer

Its mission is to eliminate localised fat in the abdomen, legs, arms and buttocks while firming and eliminating cellulite. The results are evident from the first session, but after 3 sessions the result is permanent. Three phases are carried out: Anti-cellulite and Reducing Massage with a special product with a heat effect, wrapping with a heat blanket to enhance the effectiveness of the product and a circulatory and draining massage to help eliminate liquids with a cold effect.

Rituals

Geisha

With this ritual we unify the skin tone providing softness and a silky texture. The secret of the Geisha...

The welcome begins with a foot wash with fresh mint, coconut and hot towels, which prepares the person to immerse themselves in deep relaxation. This is followed by the application of a warm peeling with a shower of coconut salt, which cleanses and prepares the body skin for a relaxing head-to-toe massage with warm olive oil and honey, while an aromatherapy facial is performed.

75' · 80€

Al-Andalus

This ritual combines body exfoliation with the traditional Kessa glove to remove dead skin cells and activate blood circulation. It is complemented with a relaxing massage, performed with essential oils warmed by the client's choice and providing relaxation and hydration of the skin.

Gold Therapy

Maximum glamour and sophistication in a revitalizing therapy based on marine gold.

A great anti-ageing treatment, it gives the skin a silky feel and glow. Helps to delay ageing and expression marks.

Treatment:

- Exfoliating Body Scrub: Brightens the skin, leaving it soft and moisturised. Helps repair the skin's natural protective barrier.
- Wrap with silk and gold mask: Anti-ageing, oxygenating, smoothing and depigmenting. Provides luminosity and a silky touch to the skin. Ideal for dry or damaged skin.
- Relaxing Integral Massage: With silk and gold cream or oil, principles of silk proteins, with antioxidant properties, rejuvenates and leaves the skin soft and smooth. Recommended for dry, irritated and stressed skin.

Chocolate therapy

Well-being and pleasure for the skin through chocolate, which moisturises, reduces blemishes and increases the activity of collagen and elastin. Properties that have the direct effect of reducing wrinkles, skin flaccidity and the rest of the signs of ageing.

In addition to this, the presence of theobromine, tannins and polyphenols in the composition of cocoa means that the massage and body wrap enriched with this component help to burn accumulated fat and reduce cellulite.

This ritual consists of:

- Body exfoliation with coconut peeling and chocolate oleum.
- Chocolate wrap and massage.
